We need your help! Many areas of our ministry rely on teams to help our meetings run smoothly. If you are willing to serve on a committee, please check the area(s) that you would be willing to help in. This is a great way to get involved and meet other moms! Please note: If you check an area(s), the coordinator of that committee will contact you before or soon after the start of the MOPS year.

- Creative Activities (Crafts)**
Duties may include occasionally bringing supplies, such as scissors, markers, etc., for moms to use during craft time at our meetings; occasionally arriving early to meetings to help with craft set-up; attending some outside meetings to prepare for upcoming craft projects; and assisting moms with their crafts during meetings. Not all craft projects will require extra help; therefore, the duties of this committee may be sporadic throughout the year.
- Hospitality Team**
Members of this team can choose to arrive early to meetings to help with set-up or stay late to help with clean-up. Committee members can also choose to help on non-MOPS days at outside meetings to assemble favors and centerpieces or help with large group play dates/date night.
- MOPPETS (Childcare)**
Committee members can be involved in summer prep work, pre-meeting set-up, post-meeting clean-up, and can volunteer to provide last-minute help in the childcare rooms as needed.

We publish an annual directory to be distributed to all MOPS members at East 91st St. Christian Church. We also take pictures of the moms and children in our group for use in both our monthly newsletter (distributed within our group and to our childcare workers) and a year-end slide show presented at our last MOPS meeting. Do we have your permission to print the information supplied above and to publish photographs of you and your child(ren)? If yes, please sign here: _____
